

The Supreme Speckle Park Sale is what the name states. A place to get the best, by the best. The producers in this sale give 110% of what needs to be given to make the Speckle Park breed a continued success. Commercial cattlemen trust the bull power to get the job done with back up support like none other. The purebred producers rely on this sale to find the next step in their program.

Thank you to all the supporters of this sale past, present and future! Congratulations on your accomplishments and feel free to contact us anytime. It's our business to create what your program needs. We welcome the new challenges ahead and are humbled when we look back to see everyone's successfulness with our program. Thank you to Spots 'N Sprouts and Ravenworth for your dedication.

HOSTED BY: Notta Ranch Jason and Sara Goodfellow

SALE PARTNERS:

John and Dale Herbert

The last six months has seen some major changes in our farming operation. In November, our son, Steve, and wife, Amy, along with their two little boys, Brayden and Carter purchased land adjacent to ours. We have now incorporated our farms to become Herbert Land & Cattle Co. Ltd. Together we hope to expand and improve both our purebred and commercial Speckle Park herds.

It's exciting to be back at Notta Ranch for the seventh consecutive year with animals in the sale. Again this year we are bringing our best two year old bulls, Chris Poley's pick of our heifer crop, and three cow/calf pairs. Our aim has always been to produce top quality Spots 'N Sprouts breeding stock. That has resulted in bulls like Lacerta, Stands Alone and Bart, that have made names for themselves both in the show ring and internationally. We trust the animals we are bringing to the sale this year will prove to be of the same quality.

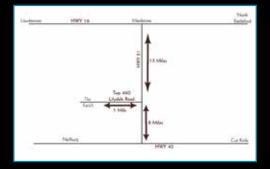

Spots 'N Sprouts Speckle Parks Prices have changed dramatically since we first got involved in the breed in the 1980's. Back then, Speckle Park were taking a 25 cent discount at the market. Now, 25 years later, at Speckle Park influence sales, the steers are commanding a 10 cent per pound premium and heifers up to 50 cents per pound over sale average. The bulls you purchase at this sale will enable you to take advantage of these prices.

We would like to thank all the buyers in today's sale as well as those who have supported our sales in the past. We wish our sale partners and purchasers all the best in today's Supreme Speckle Park Bull and . Female Sale.

— John and Dale

It has been another very exciting year to be involved in the Speckle Park breed. The team here at Ravenworth is overwhelmed with the great response from all of the visitors at the shows last fall towards our genetics. We feel we can never thank our buyers, bidders and supporters enough each year, as you are the key to our business. We are passionate about our cattle program it is all we do. We are dedicated to producing quality cattle, and have a clear vision of the type and style of cattle we want to raise, soundness and structure, udder quality, and overall style. Our consignments in the Supreme Sale include

our top genetics, even a show winner and for the first time ever at Ravenworth Cattle we are offering semen packages. Our selection of females in this sale is very diverse with heifers from many of our top cow lines. We have a complete herd health vaccination program. Once again, we appreciate working with our sale partners and look forward to sale day! Visit Ravenworth Cattle Speckle Park on facebook to watch videos of all our consignments in the sale...

Ravenworth Cattle Speckle Park.

*We reserve the right to drawn semen on any of our bulls in this sale for on farm use at the new owners convenience and our expense.

FROM THE DESK AT 1 Bar...

Welcome to the 2018 edition of the Supreme Speckle Park Bull and Female Sale at Notta Ranch, Neilburg, Saskatchewan, the founding home of Canada's developed Speckle Park breed that has caught fire around the globe. The breed bestows many virtues...calving ease, ideal frame size, etc. etc., but what sets this breed apart from their counterparts, is carcass value and feed efficiency. Speckle Park beef leads all its competitors in marbling, as well as taste and tenderness values...the difference is on the plate!

The Notta Ranch program sets the bar higher each year! Jason and Sara have been Canadian National Premier Breeders for three consecutive years, Premier Exhibitors for the past two, only losing the 2015 award to their sale partners, Gary and Donna at Ravenworth. This past November at the 2017 Canadian National Show at Agribition, Notta Ranch were breeders of the National Champion Female exhibited by McAleer Ranching, breeders of the National Champion Bull, "Cause n Effect" and breeders and exhibitors of the Reserve National Champion Bull, "Hawkeye." They again dominated the breeders herd and exhibited several class winners. But winning ribbons is not what the Notta program is about. In addition to producing a superior product, they are endless promoters of the breed whether in downtown Maidstone, Saskatchewan, Denver, Colorado or Sydney, Australia. Each year the goal is to produce more bulls to supply the rapidly growing commercial market! The Notta lineup is packed full of exciting and rewarding opportunities for both the purebred breeder and the commercial rancher. Study the offering and add value to your own operation.

The folks at Ravenworth offer a solid sterling group with hair, style and eye appeal...seed stock to fit your front pasture. John and Dale from Spots 'N Sprouts run the largest Speckle Park cow herd in the nation. They run ranch style in the same fashion as that of their customers. Each year they bring us a powerful group of two year old bulls. Bulls designed to cover more cows, cover more ground and tighten up your calving cycle. This is one of the few sources of twos to sell at auction this spring!

The Speckle Park breed is one of opportunity and growth, this past decade has been phenomenal but there is a problem...demand is much greater than supply and there is a lot of room to grow! Plan to be with us at Notta Ranch on April 7th. Feel free to view the bulls at their homes prior to the sale and do not hesitate to give Jason, John or Donna a call and discuss what would suit your own program the best...they like to chat cattle!

If we, at T Bar C, may be of any assistance, prior to or sale day, do not hesitate to give myself or any of our professional team a call, as we can help you with your needs.

SPECKLE PARK INFLUENCE SALE

at

Northern Livestock Sales Ltd., Lloydminster, SK

Each fall Speckle Park breeders are encouraged to sell their Speckle Park influenced calves in the Speckle Park Influence Sale at Northern Livestock Sales Ltd., Lloydminster, SK.

On Nov. 20, 2017, 454 Speckle Park influenced calves went through the sale ring with some very impressive results. Some of the prices paid for both steers and heifers are shown below.

STEERS Wt.	Breed	Price/Lb.	What would a pen of 50 head been worth
467 lb.	Speckle Park	\$2.53	\$59,075
400 lb.	Black, continental	\$2.40 ave.	\$48,000
512 lb.	Speckle Park	\$2.35	\$60,160
500 lb.	Black, continental	\$2.11 ave.	\$52,750
630 lb.	Speckle Park	\$2.21	\$69,915
600 lb.	Black, continental	\$1.94 ave.	\$58,200
728 lb.	Speckle Park	\$2.05	\$74,620
700 lb.	Black, continental	\$1.94 ave.	\$69,900
879 lb.	Speckle Park	\$1.83	\$80,428
800 lb.	Black, continental	\$1.75 ave.	\$70,000

HEIFERS Wt.	Breed	Price/Lb.	What would a pen of 50 head been worth?
400 lb.	Speckle Park	\$2.20	\$44,000
400 lb.	Black, continental	\$2.02 ave.	\$40,400
527 lb.	Speckle Park	\$2.15	\$56,652

644 lb.	Speckle Park	\$2.29	\$73,738
600 lb.	Black, continental	\$1.88 ave.	\$56,400

As you can see from the above figures, a Speckle Park bull would soon pay for himself.

The prices received at this sale are one of the many reasons people are turning to Speckle Park bulls for breeding their commercial females.

Let the bulls in today's Supreme Sale help put extra money in your pocket.

Knight 108E patterns his sire — from the great square hip to the full side and masculine front end, while keeping the stylish head. His sire, Ravenworth Invictus 103C has set the standard on our farm for the type and kind of bull we strive for. If you want to add shape and style to your calves this bull would be a great selection. We sold the maternal sibling in this sale last year and that bull is now working in the Spots 'N Sprouts herd. See the semen package write up for Invictus for more information about this sire.

Homozygous Black, Homozygous Polled and Myostatin No Variance. Invictus has been an amazing bull to work with since he was a calf, from his extremely docile temperament to his steady growth curve. With multiple titles and banners, this bull has become the cornerstone of our Speckle Park breeding program and last fall was a significant show season for us as we were able to show him as a senior bull and present some of his calves in our show string. Invictus stamps all of his calves with an unmistakable style and shape. Our fist Invictus daughter sold at Agribition to Tina Williams from Oklahoma for \$13,000 and Ravenworth Acadia 107E, another daughter, we have sold a half share to Below Sea Level in New Zealand for \$12,500.

Prairie Lily females are some of the hardest to part with and this one is no exception. A daughter from our Ravenworth Prairie Lily 9Y cow, who has produced many great females, which have been in our show string a number of times, 119E has tons of growth and performance, while maintaining her ultra feminine style.
